Welcome

HOME

On behalf of everyone at Give Kids The World, I would like to extend a heartfelt welcome to our Village. Our hope is that over the next few days you will be able to share precious time together as a family, creating memories you will cherish for years to come. Our staff and volunteers are committed to creating a magical experience and are here to assist you in any way possible.

During your stay, through the generosity of our theme park friends, you will have the opportunity to visit the world's best-loved vacation destinations including Walt Disney World, SeaWorld Orlando, and Universal Orlando. We are so grateful for their support and that of so many other companies and individuals who share their time, talents and resources to help make this experience possible.

This book is designed to guide you through all of the exciting activities Central Florida has to offer; we have tried to answer the most frequently asked questions. We want your experience to be as stress-free and memorable as possible, so please don't hesitate to ask any questions not addressed here. Our staff is available 24 hours a day to assist you.

When your visit draws to a close, we would love to hear your comments and suggestions for how we may best be able to serve families who visit us in the future.

Thank you from the bottom of our hearts for entrusting us with your Wish. We hope that your stay is everything you dreamed of and more.

With love,

Pamela Landwirth

Weather Safety

Severe Storm Information

At Give Kids The World Village, we have a severe storm emergency plan in place to keep all of our families safe. In the event of an emergency, you will be notified and given specific information. Stay tuned to Channel 49 on your TV for severe weather updates.

Tips for Coping with Unpredictable Weather

During a strong storm, the safest place in the villa is in the small bathroom or in the hallway. Fill one tub with water to be used for emergencies.

If you have electrically powered medical equipment, notify Guest Services at ext. 4322.

A flashlight is in your villa kitchen for your convenience.

If the power to your Give Kids The World villa is interrupted, please shut off the air conditioner unit and all electrical equipment, such as your TV, to prevent power surges or further damage. If possible, avoid flushing the toilets.

If your villa floods or sustains any damage, please notify Give Kids The World Guest Services at ext. 4322.

Lightning

Lightning is a big factor in Florida weather and can occur even if it is not raining. During lightning storms, we ask that you try to remain indoors.

If you are in a water environment such as a swimming pool, please seek shelter immediately. Please know that we take lightning very seriously and will close the pool areas and other outdoor activities at the Village during times when lightning has been spotted in the area. Your safety is our top priority.

Sun Safety

The warm weather of Florida means you can have fun in the sun almost all year. We encourage you to take the care needed during your stay and not let a heat-related illness ruin your vacation.

Here are a few tips to help you stay cool and comfortable in the Florida sun:

- Use of sunscreen is always recommended when in the sun.
- Dress for the heat. Wear lightweight, light-colored clothing. Light colors help reflect away some of the sun's energy. It is also a good idea to wear a hat.
- Carry water or juice with you and drink consistently even if you do not feel thirsty. Avoid caffeine and alcohol, which dehydrate the body.
- Eat small meals throughout the day and avoid foods that are high in protein which increase metabolic rate.
- Avoid using salt tablets unless directed to do so by a physician.
- Avoid strenuous activity. If you must do strenuous activity, do it during the coolest part of the day.
- Stay indoors when possible.
- Take regular breaks in air-conditioned areas or in the shade. If you feel that you or someone in your group is beginning to show signs of heat-related illness, stop activity and find a cool place to rest and relax.

Medical Information

Although we do not have medical staff on-site at Give Kids The World Village, there are numerous medical options and facilities available to our Families. Please see the suggested facilities below. You may contact the Manager On Duty or Guest Services for more information at ext. 4322.

EMERGENCIES Dial 911

(Dial “9” first; if you are at Give Kids The World Village “9-911”)

An ambulance will take you to the nearest hospital. ALWAYS dial “0” to contact the switchboard of Give Kids The World Village if a member of your party becomes ill, has an emergency or is hospitalized. Village staff must be aware of each situation in order to assist you better.

If you must call 911 while off property, please also notify Guest Services at (407) 396-1114, ext. 4322.

Doctors

If you need a doctor but the situation is not serious enough to call 911, please call Guest Services at ext. 4322.

Medical Assistance in the theme parks

Each theme park has at least one first aid station. Any park employee can provide directions to the nearest station. At the station, you may take a few moments to rest. You may also leave labeled and packaged equipment (to be stored at your own risk).

You have two villa card keys. If you misplace them or have any problems, please contact Guest Services for assistance.

Your villa has been stocked with a Welcome Bag on the kitchen table, along with sodas and water in the refrigerator. These items are a one-time delivery. We recommend going to Walmart at the end of Bass Road, which is open 24 hours a day, if you need to purchase anything more.

GKTW Village Fun Facts

Give Kids The World was founded in 1986 and operated out of founder Henri Landwirth's hotel.

The Give Kids The World Village opened in 1989.

The Gingerbread House cooks more than 18,600 pounds of liquid eggs, 19,000 pounds of bacon, 13,000 pounds of sausage and 5,000 pounds of pancake flour each year!

Our Mayor happens to be a 6-foot-tall rabbit, Mayor Clayton. He lovingly takes care of our Village with his bunny-bride Ms. Merry. Mayor Clayton even tucks children into bed each night.

More than three million meals have been served in the Gingerbread House Restaurant.

To date over 97,000 families have visited Give Kids The World Village from all 50 states and more than 65 countries around the world.

The tables in the Gingerbread House feature over 27,000 peppermint candies.

Over 2,000 dolls line the top of the walls in the Gingerbread House. They were donated by families from all over the world.

There are over 50,000 stars on the ceiling of the Castle of Miracles.

Each week, more than 1,500 volunteers donate their time and talent to the Village.

Give Kids The World Village is GREEN!

Through communication and education about water conservation, energy efficiency and waste reduction, all of us at Give Kids The World are taking “going green” seriously.

Listed below are just a few of the things we are doing here at the Village:

- We have energy sensors in our villas that detect motion, helping us to reduce our air conditioning and heating costs by 45%-50%, which is the equivalent of saving 2,000 trees a year! Be assured that the A/C in your villa turns on when you return home and will remain on during the night as you sleep.
- We use energy efficient lighting in our villas, reducing energy consumption by 70%-80%.
- We provide a smoke-free environment throughout our public and guest areas.
- We recycle paper, plastic, cans and cardboard in all guest and staff facilities. This saves about 432 cubic feet of material each week from going into a landfill. We encourage you to use the blue recycling bin in your villa throughout the week. No need to sort your recyclables; we will take care of that for you.
- All of our villas use low flow water fixtures. This reduces water consumption by 25% on a yearly basis.
- Leaving your villa front door open for more than a few minutes will automatically turn off your air conditioner.
- Your villa lights will be dim when first turned on but will brighten to full capacity in less than a minute.
- We recycle 67,000 cubic feet per year which would fill three GKTW villas.

If you have any comments or suggestions about our “green efforts,” please include them on the guest comment card you will receive at the end of your stay.

Dining at the Village

During your week at Give Kids The World Village there are many delicious dining options for your family. At check-in you will receive a meal card preloaded with three complimentary meals a day. Your family may choose from one of two dining options for breakfast and dinner. For breakfast, you may choose between the Gingerbread House, which serves buffet-style meals, or the Express Start Breakfast in the Ice Cream Palace, where you can grab a fast and fresh breakfast on-the-go. For dinner, you may choose between the Gingerbread House, or Katie's Kitchen, which provides friendly counter service or delivery, for your convenience. Please remember that your family may choose only one breakfast option each morning and only one dinner option each evening.

Please bring your meal card when dining in The Gingerbread House or Katie's Kitchen, as well as when you choose the Express Start Breakfast in the Ice Cream Palace. Delivery orders from Katie's Kitchen will automatically be deducted from your meal card.

The menu for The Gingerbread House changes daily. Therefore, please tune in to channel 49 on your villa TV or see one of the digital display boards located throughout the Village. Katie's Kitchen's menu can be found on page 24 of the Village Guide.

HOME

Dear Guests:

Hello and welcome!

I am Dr. Marty Martinson, Chaplain for Give Kids The World Village. My hope and prayer is that this will be a special week for each of you.

We, the staff, and our great group of “Angels” (volunteers), will do our best to help you enjoy your experience of a lifetime. Give Kids The World Village is a community of love whose purpose is to make wishes and dreams come true.

I especially invite you to visit our Chapel sometime during your stay with us. It is a beautiful place for quiet meditation and prayer. We have volunteer clergy available on Sunday mornings from 8 a.m. to 10 a.m. for prayer and fellowship. I also offer you my services as Chaplain.

Thank you for allowing us to be a part of your life. God bless you and may all of your wishes come true.

Sincerely,
